Subject: Manuscript about Thimerosal and autism

Dear Poul, Kreesten and Diane Schendel
Attached I send you the short and long manuscript about Thimerosal and autism in
Denmark. [REDACTED]

I need to tell you that the figures in the manuscripts do not include the latest
data from 2001. I only have these figures as a paper version and they are at work [REDACTED]
But the incidence and prevalence are still decreasing in
2001. [REDACTED]

I look forward to hear from you again.
Best regards
Marlene
